

## MAP OF THE CLIMATE SHOW 2019 (HALL 7)

### A ATELIERS ET FORMATIONS

Presentations, workshops and trainings on topics related to climate issues such as sustainable tourism, ocean protection, and more.

### B CAMPFIRE

B2B, Speed Dating & networking.

### C PITCH TIME

Pitch Time, which is the presentation of projects from start-ups in front of investors and the public.

### D MUSEUM

The Museum of Ancient Technologies of the Climate Show includes products that are still used today, while their greener equivalents are already on the market.

### E PHOTOGRAPHY EXHIBITION

A photography exhibition of the Swiss photographer David Rouge on the theme of the Arctic.

### F GREEN MOVIE

A short film screening session on the theme of sustainability (see agenda for more information about the selection and the schedule).

### G CATWALK

The eco-entrepreneurs (Catwalkers) are invited to participate in the Catwalk competition held during the Climate Show.

### R FOOD COURT

Culinary specialties prepared according to sustainable development standards.

### S COFFEE

Coffee, drinks and pastries.
